**FOR IMMEDIATE RELEASE**

## **Help warm up the winter for those less fortunate**

**TULLAHOMA, TN; January 7, 2010** -- Customers of the Tullahoma Utilities Board can help our city's elderly and handicapped residents stay warm this winter by simply adding \$1 to their utility bills.

Through Project Help, customers can ask that a specific amount, usually \$1, be added to their utility bills. Project Help funds are only distributed to the elderly and/or handicapped citizens of our community, so the money you donate only goes to help those people right here in Tullahoma. Other guidelines are also required. The funds that are given to Project Help are administered through an independent agency, The Good Samaritan, in Tullahoma. Each year, TUB customers contribute more than \$10,000 to the needy.

To sign up, call TUB at 455-4515 or print, fill out, and return the form below to the TUB office at 901 S. Jackson St., between 7:30 a.m. and 4:30 p.m. weekdays.

**Yes, I want to help our needy and handicapped citizens.**

*Please add the following amount to my utility bill for Project Help. (Please print)*

\$1 \_\_\_\_\_ \$5 \_\_\_\_\_ \$10 \_\_\_\_\_ \$20 \_\_\_\_\_ Other (please specify) \_\_\_\_\_

Name \_\_\_\_\_

Address \_\_\_\_\_

**FOR IMMEDIATE RELEASE**

## **High Capacity DVR's Now Available with LightTUBE**

**TULLAHOMA, TN; January 7, 2010** – Customers of the Tullahoma Utilities Board LightTUBE service can now receive a high capacity DVR set-top box for their viewing pleasure.

The new DVR's have a 1 Terabyte hard drive, which is six (6) times larger than the current standard drives. These units will be able to hold more than 100 hours of High Definition (HD) programming per box. The new DVR's are available immediately from TUB for an additional \$7 per month.

To sign up or request a new DVR, call TUB at 455-4515 or stop by the TUB office at 901 S. Jackson St., between 7:30 a.m. and 4:30 p.m. weekdays.
